

Part 2: Judging the Dana Coverstone *Brace Yourself* Dreams #1 thru #3

October 5, 2020

***Please note:** I have chosen to place bullets in front of elements of Dana's dream to separate them from my comments. The bullets come first, followed by comments. Hopefully, this helps with readability.*

I will start by saying that the Bible instructs us that we know in part and we prophesy in part (I Cor 13:9). It is important to seek the Lord about what Dana has seen and what he hasn't seen. Much of what is revealed through Dana's dreams have to do with judgment, but they have little to do with the Glory of the Lord that will soon be revealed in accordance with Isaiah 60 and the revival that is coming. The glory of the Lord will cover the earth as the waters cover the sea (Hab 2:14; Is 11:9).

It is also important to embrace the truth that we are in judgment. Judgment has come because we, the Church, are guilty. We cannot read II Chron 7:14 without reading and believing II Chron 7:13. Judgment has been released against the Church and we must move from denial, to acceptance, then to repentance. Jesus is knocking on the door of the Church today, just as He was knocking on the door of the Church of Laodicea (Rev 3:20). We must let Him in, the Spirit of Jesus, into His own house and into our hearts. If we do not, we will perish for there is no survival outside of our submission to the leadership, direction, and protection of the Holy Spirit.

Dream #1 (December 2019)

- Calendar turned starting in January, then February, then March.
- March – Finger underlines the month and tapped it three times.
- His perspective was that something was going to happen in March because of the emphasis placed on that month.

As I mentioned in Part 1, there is a progression of intensity between the finger underlining a month and tapping three times compared to the fist hitting November and shattering the calendar. The level of judgment spelled out in the dreams where the finger highlights and taps the month, versus the fist hitting, are night and day. The effects of the judgment now are very intense. Dana's dreams indicate that November's judgment will be a) from the Lord, b) be far greater in intensity, c) have far reaching implications for the nation as well as the Church in America and possibly for the world.

- By March, Covid-19 was in full swing in America. Churches were shut down, businesses were shut down, economy shut down, then we began to see the protests starting in May in Minneapolis as a result of the death of George Floyd.

- Then the calendar flipped from April, May, to June.
- Finger underlined **June** and tapped it three times.

Note: The finger appears to highlight the month when the judgment will be released and how long it will last before the next judgment. The similarity in the "underline, tap three times" appears to indicate that which is coming is at the same level, i.e. in a scale of 1 - 5, we could place these at a level 1.

- He saw people marching, people wearing masks, lines going into hospitals
- He saw doctors, people who were very sick, people on ventilators
- Headlines regarding thousands getting sick & ambulances rushing down roads.
- Cities on fire, buildings being burned, protesters with masks, people with fist in the air (yelling and screaming), court houses and state houses surrounded by people who were angry at the world, *shotgun held in the air*, barriers within cities, *absolute chaos....*

The above bullets sum up what we all observed beginning in May and then intensifying in June. It is important to note that in the context of Dana's later dreams the level of violence in this dream is less than what he sees for November. For June, the Lord reveals people holding up shotguns, but not firing them. I recall only one protester firing a gun that struck other protesters. For November, Dana will see evidence of armed mobs using their weapons.

- He saw vultures flying over large cities, not just over the cities that were burning.

Vultures symbolize death and dying. The use of the word vultures (or eagles) in the Bible is coupled together with severe judgment where many people are killed. Jesus mentions vultures in Matthew 24:24-31 (NASB95) in the context of the tribulation that will occur prior to His return. Corpses speak of both physical and spiritual corruption, i.e. sin.

*For false Christs and false prophets will arise and will show great signs and wonders, so as to mislead, if possible, even the elect. "Behold, I have told you in advance. "So if they say to you, "Behold, He is in the wilderness," do not go out, or, "Behold, He is in the inner rooms," do not believe them. For just as the lightning comes from the east and flashes even to the west, so will the coming of the Son of Man be. **Wherever the corpse is, there the vultures will gather.** But immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light, and the stars will fall from the sky, and the powers of the heavens will be shaken. And then the sign of the Son of Man will appear in the sky, and then all the tribes of the earth will mourn, and they will see the Son of Man coming on the clouds of the sky with power and great glory. And He will send forth His angels with a great trumpet and they will gather together His elect from the four winds, from one end of the sky to the other.*

In Ezekiel, the Lord speaks of every kind of bird coming to a slaughter of men that the Lord sets before them -

Ezekiel 39:17-24 (NASB95)

¹⁷As for you, son of man, thus says the Lord God, “**Speak to every kind of bird and to every beast of the field**, assemble and come, gather from every side to My sacrifice which I am going to sacrifice for you, as a great sacrifice on the mountains of Israel, that you may eat flesh and drink blood. ¹⁸“You will eat the flesh of mighty men and drink the blood of the princes of the earth, ***as though they were*** rams, lambs, goats and bulls, all of them fatlings of Bashan (*see Deuteronomy 32)¹⁹So you will eat fat until you are glutted, and drink blood until you are drunk, from My sacrifice which I have sacrificed for you. ²⁰You will be glutted at My table with horses and charioteers, with mighty men and all the men of war, declares the Lord God. ²¹And I will set My glory among the nations; and all the nations will see My judgment which I have executed and My hand which I have laid on them. ²²And the house of Israel will know that I am the Lord their God from that day onward.”

The above is in the context of severe judgment and the glory of the Lord being set among the nations. The phrase, “...will know that I am the Lord,” is a phrase often used to describe what the Lord intends for judgment, i.e. that they will know Him. This is the good fruit of judgment.

The cities of America are ripe for judgment because they (including the Church) no longer listen to the Spirit of the Lord or hear His voice. In a vision in January 2019, the Lord showed me Atlanta, GA where He was kneeling and weeping. I asked the Lord, “Why do you weep?” He said, “Because there is no fresh bread in the city.” In 2020 He expanded this vision for all the United States. In the natural, where there is no food to eat or water to drink, people become malnourished, sickly, and die. The same is true in the Spirit.

If Christians are not fed the bread of revelation by the Holy Spirit, where the Lord opens His word to His people *thru* His leaders, over time believers become malnourished, sick, and die. If we had eyes to see, we would see people in the Church that look like holocaust survivors. Many leaders in the Church are responsible for this disaster. People are dying for lack of the Fresh Bread that comes only in, by and through Jesus Christ. Instead of Fresh Bread, pastors are serving up other preacher’s sermons, the doctrines of men and those of demons (I Tim 4:1).

Leaders that no longer follow the Holy Spirit or hear His voice, resort to anything other than Fresh Bread and Living Water to feed the flock of Jesus Christ. They are those who cry, “Peace, peace,” where there is no peace, healing the brokenness of the Lord’s people superficially (Jer 6:14, 8:11). As a result, spiritual sickness and death has filled the Church of Jesus Christ that is called to be the salt of the earth (Mt 5:13). If there is no salt in a city, there is decay and rotteness and that is exactly what we find in the cities of America! It is time for the Church to repent for judgment has begun in the house of the Lord (I Pt 4:17).

Covid-19 has struck those inside *AND* outside the Church and it has affected cities that have burned in the fires of violence and those that haven’t. We too have suffered the loss of a good friend and faithful Christian due to the pandemic. Turmoil, chaos,

violence, economic calamity affects us all; the Church is not exempt. Many leaders have been preaching that the Church is in a spiritual Goshen, but that is a half-truth,

which is a lie. The Lord will bring a discrimination between the righteous and the ungodly, but it has not happened yet. Similar to the days of judgment falling upon Egypt, the Lord did not make a discrimination of how His judgments would affect His people until the fourth plague which was swarms of insects (Ex 8:21-22).

- He saw smoke rising.
- He saw people fearful and terrified, looking out the windows with guns in their hands because of fear.
- Then he heard the words, “Brace yourself, brace yourself,” which has been repeated since Dec 2019. (Note – Please see comments from Part 1 concerning the meaning of “Brace yourself....”

If the above is a level 1 judgment in the form of violence and chaos, what level of intensity can we expect in November?

Dream #2 – (September 2020)

In this dream the Holy Spirit appears saying, “Part 2” and then a calendar appears starting with June, then turns to July, August, and September. The finger of a man’s hand appears again, underlined September a few times (providing emphasis) and tapped it three times (again providing emphasis). The Lord uses repetition in the Bible to ensure we understand the importance of what He is saying. It is the same in Dana’s dreams.

As I mentioned in Part 1, the repetition of the underlining and the tapping speaks of the certainty of what is about to happen. When interpreting Pharaoh’s dreams in Genesis 41, Joseph was able to reveal that the first and second dream were one in the same - having the same message, i.e. the lean and ugly cows eating the fat and sleek cows, together with the seven ears of withered, thin and scorched ears (possibly of corn), swallowed the seven good ears (Gen 41:17-24). Joseph also told Pharaoh that the dreams were what the Lord was telling Pharaoh and what He was about to do (Gen 41:25). Pharaoh immediately promoted Joseph and no doubt preparation started with haste under Joseph’s direction. We should be seeking the Lord now, not later, concerning how we too should prepare.

I’ve seen a number of comments from people regarding various viewpoints concerning preparing and storing food. We should note that revelation from the Holy Spirit was given to Joseph as to how to prepare; we must have the same. There is nothing unscriptural concerning preparing and storing food, as we can see in this vivid example where one person, Joseph, is used by the Lord to save an entire nation through preparing and storing food. Again, we should not venture forward by preparing in the flesh, with our limited understanding. We must have revelation as to how to prepare. The Lord has made it clear that we are to seek His face as to how to prepare.

What is interesting in this portion of Dana’s dream is that the Lord doesn’t reveal what He was going to do in September. However, it is highly significant to note that the California and Oregon wildfires moved to a very serious level in September. The fires in

California and Oregon are now the worst on record. As of October 4, 2020, CAL Fire reports that, *“Since the beginning of the year, there have been over 8,200 wildfires that have burned **well over 4 million acres** in California. To date, the total number of fatalities statewide is 31 and over 8,454 structures have been destroyed.”*¹

I released a prophetic word on June 11, 2020, where in one portion of that word the Lord reminded me saying, "Did I not say that you would be appalled at what I would do? You have seen fires, but you haven't seen anything yet..."² I released another word from the Lord on June 23, 2020 regarding judgment coming to the entire state of California, "...from north to south. No part of California will be unaffected."³ Subsequent to those two visions, I released another vision on September 25, 2020 where the Lord was viewing the California fires and He turned to me and said, "They are not responding."⁴ We must realize that judgment from the Lord demands a response. It always demands the response of repentance. This is what the Lord is looking for from the Church and from America as a whole.

In the vision I released on June 11, 2020 I saw the Lord standing and speaking to America. He said, "Are you indeed a country of independence? But you are not independent of Me, for I am the foundation of your Constitution. I, Myself, can rip up the Constitution. There is no deeper foundation than Me. You rest on the founding fathers who rested on Me. America, I will clean you of harlotry. With My own feet, I will trample down those who call themselves the "Church" but do not follow me; My judgment will be upon them. I will pour out My anger and My vengeance, for none are as guilty as My Church. I have taken hold of My sword and I am pulling it from its sheath, for I will have righteousness in America."⁵

I share this because of what the Lord has been speaking to me about His intention to bring judgment to America since 2013. No doubt many were prophesying this well before I received the word from the Lord.

Concerning November 2020 – Exponential Increase of Judgment Intensity

My underlying premise is to assume, based upon the accuracy of what has already been revealed, additional judgment will occur during the month being emphasized. However, there is no indication that it will end in that month. It is reasonable to assume that the judgment, along with the numerous consequences that result, will continue past the month indicated. We are in fact experiencing the fulfillment of Leviticus 26.

In this part of Dana's dream, Dana was feeling the intensity of what the Lord was revealing where he testifies that his heart was racing and he was not feeling well. As he indicates, this was similar to Daniel's experience in Daniel 8:27 where he says, "Then I, Daniel, was exhausted and sick for days." This was emphasis provided by the Lord to impress Dana, as well as all of us, that what the Lord will release in November will be

much worse than what has been revealed in previous dreams and what we have experienced to date.

- Dana saw the hand of the Lord make a fist and hit the month of November, the calendar exploded into the wall, with all of the day's dates (in 3D) flying in all directions.

It is important to note that the intensity signified by the hand making a fist in contrast to previous dreams where the hand was simply underlining and tapping the month. The intensity of what Dana sees taking place also increases.

- Cloud of chaos

Dana saw elements of chaos before (see dream #1), but not a cloud of chaos. The cloud indicates an increase in the level of chaos, like thick smoke indicates the strength of a fire. Chaos is also revealed in the explosion of the November calendar where the days went in all directions. My sense of this is that the primary element of November, and possibly beyond, will be chaos. What I view as elements of chaos follow in the bulleted list below.

- Armed protesters, fighting one another, people were pummeling one another

Dana appears to see more protesters armed than before and there appears to be an increase in violence. To date, we have seen a few instances where a protestor had a gun, or used a gun, but not to the level of an armed mob. In his first dream, people with guns were hiding in fear in their homes, they were not in the streets.

- Businesses shuttered and shot at

Dana had previously seen businesses closed, but not shuttered and shot at. Shuttering a business or a home could indicate a long-term event. We have witnessed people looting stores, but we have not as yet seen the violence escalate to the level where armed groups are killing people, holding people hostage or marking retailers for a full scale, armed assault. The Lord is warning us that an escalation is coming.

- Schools closed, rooms had cobwebs, posters/paper falling off the walls as if the classrooms hadn't been used in months

This portion of his dream speaks of greater intensity, either in the area of effects of the pandemic and/or violence or quite possibly the release of another judgment, which is indicated by the fist of the Lord shattering the calendar of November. We've seen schools closed and yet some have reopened in different states. For me, given the level of chaos and the intensity that November will bring, it appears that schools will be shut down again and possibly for a longer term.

- Banks – roofs being taken off; money flying out of banks; wealth being taken.

This indicates that hyperinflation and economic collapse are ahead. As I was meditating on this portion of the dream, the Holy Spirit fell on me, giving me the following vision on September 21, 2020 I titled *The Glory Road & The Road of Poverty*:

I saw leanness that would come in the days ahead, but it was part of one of two paths. We are coming to a fork in the road. One road led people into poverty and lack; the people on this road had been led down a path as they served the god of money. They were poor and barely clothed. One could also say they were destitute.

I then saw the other path or road. I saw the hand of the Lord pouring out His glory along this path. It is what I will call the "Glory Road". The Lord will begin to make a differentiation between those who follow Him and those who follow the god of money. Those on the glory road will be supplied and Isaiah 60 provides a scriptural context for what we can expect. No doubt that taking the Glory Road will require faith, revelation, and obedience.

The prophet Isaiah prophesies saying, "Arise, shine; for your light has come, and the glory of the Lord has risen upon you. For behold, darkness will cover the earth, and deep darkness the peoples; but the Lord will rise upon you, and His glory will appear upon you." (Isa 60:1-2)

I also began to see the people on the road of poverty begin to move over to the Glory Road. They saw the difference between where they were and what was being poured out upon those on the Glory Road. As the Lord's glory rises upon us, Isaiah prophesied (Is 60:3) that, "The nations will come to your light and kings to the brightness of your rising." The rest of Isaiah chapter 60 speaks of a mighty harvest of souls and nations and an abundance of wealth coming to the Church. What is promised in this chapter will come to pass.⁶

- Politicians in back rooms patting people on the back, smiling and smirking.

This speaks of betrayal and treason against the nation, where elected officials work for the destruction of the nation. This in and of itself is a revelation of the depth of the corruption in the hearts of elected officials who have taken an oath to defend the Constitution, but they have been lying all along. This too is the hand of the Lord bringing judgment.

- He saw Washington DC burning with fires everywhere.

This is a dramatic shift of intensity, following the theme of an increased level of chaos from cities around the country such as Minneapolis, Seattle, Portland, Chicago and Kenosha, WI, now to Washington D.C. On June 11, 2020, I released a prophecy concerning destruction coming to major cities in the U.S. *This is an excerpt:*

In a vision, I saw the Lord standing and speaking to America. "Are you indeed a country of independence? But you are not independent of Me,

for I am the foundation of your Constitution. I, Myself, can rip up the Constitution. There is no deeper foundation than Me. You rest on the founding fathers who rested upon Me.”

“America, I will clean you of your harlotry. With My own feet, I will trample down those who call themselves the “Church” but do not follow Me; My judgment will be upon them. I will pour out My anger and My vengeance, for none are as guilty as My Church. I have taken hold of My sword and I am pulling it from its sheath, for I will have righteousness in America.”

I then saw the Lord walking through America from west to east, trampling down those who stand against Him. The Spirit then reminded me, “Did I not say that you would be appalled at what I would do? You have seen fires, but you haven’t seen anything yet. The destruction that I revealed to My prophets years ago would come to major metropolitan cities will come to pass.”

Those who pass through the cities that receive My judgment will say, “This looks like a war has taken place here.”⁷

An appropriate verse that corresponds with the above, which I chose for an introduction to the above vision, comes from Amos 5:17 (NASB95) –

¹⁷“And in all the vineyards there is wailing, Because I will pass through the midst of you,” says the Lord.

In surveying news reports today, I see 18 wineries have been destroyed by the California wildfires.

- People being rounded up
 - Chinese and Russian soldiers on the ground
 - Russian soldiers telling Chinese soldiers to secure certain quadrants and people

As I said in a video released July 7, 2020 on our YouTube channel, I believe the Chinese and Russian troops are symbolic of BLM's connection with the Chinese Communist party, which has now come to light in recent news. BLM leaders are calling themselves "trained Marxists".

- Blue helmets of the U.N.
- Military “things” taking place

This illustrates again the various elements of increased of judgment that we have not experienced. Federal law enforcement is now involved in the establishing of law and order across the country in various cities, but we have not seen military activity to put down an insurrection, even though some of those arrested in the riots are being charged with insurrection under Federal law.

- No sign of President Trump or leadership in D.C.

I have no revelation from the Lord concerning what Dana saw here, or rather what he didn't see. We know in part and prophesy in part (1 Cor 13:9). Just because Dana didn't see something doesn't mean it doesn't exist. It can mean that it was simply hidden. To extrapolate anything further is simply speculation and the reasoning of the mind. If I receive something from the Lord concerning this element of Dana's dream, I will be faithful to share it.

- Dana saw vultures that turned into gargoyles, hovering 10-15 ft off the ground. They were attacking people mercilessly.

This is another progression from vultures flying over cities (both on fire and not on fire from dream #1). Now they begin attacking people. Vultures wait for the dying to die. Gargoyles are symbolic of demons; they are not waiting, they are attacking. There will be no safety outside of the glory of the Lord. Only under His wings can anyone find refuge. Such pictures encouraged viewers to think about the final consequences of their behavior. Hell, like sin, is a reality. "Figures like the gargoyles serve to remind man of the battle he must wage while he fights the good fight on this earth, which is a battleground, not a paradise or utopia."⁸ This is a warning and a reminder for us, the Church of Jesus Christ, of what Peter warned us, "Be of sober spirit, be on the alert. Your adversary, the devil, prowls around like a roaring lion, seeking someone to devour." (1 Pt 5:8 NASB95) There is no protection in the days ahead outside of the glory of God. We must stay in His Glory!

- People were hiding in their homes and garages
- Churches and homes were being burned

This is an increase in violence, where until now the dreams revealed nothing about churches. The persecution that Dana shares in later dreams starts here.

- Absolute chaos

Dana repeating the issue of chaos which indicates the level of the impression it made upon him. Increased chaos, symbolized by a cloud of chaos earlier in this dream, and the increased severity of judgment are two major themes for this dream.

- Dana concluded saying, "The fist hitting November really got my attention."

It should get our attention. It is indicative of the severity of judgment that is coming. The progression of judgment from January through November 2020 is clearly observable and similar to what we observe in the Bible, especially in Leviticus 26.

- Then the voice spoke again saying, "Brace yourself, brace yourself, brace yourself!" He has heard that for seven months (through July 2020).

Dream #3

- Walks to get change at the bank.
- President of the local bank at the was at the teller's station.
- He asks for \$10 in quarters.
- She said, "The U.S. Mint is no longer making change...pennies, nickels and quarters." He responded, "How will we make change for things that cost \$1.50." She said, "Prepare for hyperinflation and just charge \$2.00. (prices went up a third)
- She said, "By the way, \$1 bills and \$5 bills will follow soon after that."
- "Brace yourself, brace yourself, brace yourself"

Conclusions

I appreciate Pastor Dana sharing his dreams. They needed to be shared and the Body of Christ needs to take heed. Each dream fits with the others and a progression in the intensity of judgment is clearly observable. His dreams provide a helpful timeline for the Church to understand and prepare. I view this set of dreams as the word of the Lord and line up within the framework of the Bible.

The dreams serve as a warning of past, current and future judgment if we as the Church do not repent for our sins. In all the videos, of his first six dreams that I have listened to, Dana does not use the term judgment in his discussions about the dreams. The difference between warnings and prophetic words related to the Lord intending to send judgment is very significant. The Lord could choose to warn us of an attack from our enemies, allowing our military to respond. I would classify that as a warning.

In this case, these are declarations of the certainty of judgment if the Church does not repent. The judgment I have seen for Los Angeles is certain. The judgment that the Lord revealed to Dana in installments, indicates certainty if we will not repent. As of today, I have seen movements and gatherings related to repentance, but I cannot say that I witness a change in the course of the Church or Church leadership regarding its sin. It appears that we are still in the beginning phase of realization as to how grave our sin is, how treacherously we have treated the Lord and how it has grieved the Holy Spirit.

It appears that the hard heartedness of the Church and its leadership has reached a level that only severe judgment will break it. When high level Church leaders do not grasp the depth of their sin, only focusing on the sin of abortion in America,

pornography, etc. and stand blind to their own sin, then we have the blind leading the blind and both have fallen into the ditch. We, the Church, must remove the plank from our own eye before we can help our country. We must repent from the numerous and grave sins we have committed. This is where we must begin before we can ever hope to see the Lord relent. However, if we do not repent, He will not relent. He is moving swiftly with His judgments and it appears that collectively we cannot wake up fast enough. We have run out of time because we have not been listening to His voice for decades.

To all of this I still declare to the Church what the Lord said to me in 2014, “Dangerous and perilous times are ahead! Stay in My Glory!” You and I know that dangerous and perilous times are here, and more are to come. Repent! Who can say whether or not the Lord will turn from His wrath?
